

**REMARKS**

Claims 1-20 are pending in the application. Claims 1-10 have been amended herein to more closely conform with U.S. practice and reduce multiple dependencies. Claims 11-20 are new. Claims 11-20 correspond generally to claims 1-10, but have been more extensively amended to better conform to U.S. practice.

An abstract, substantially identical to the abstract in the international application, has been inserted into the specification.

Entry of the amendment and an early action on the merits is requested.

Respectfully submitted,

JEAN-CLAUDE VANDEVOORDE *et al.*
